

### **Add on course- Advanced Minimally Invasive Dentistry 2026**

The department of Pediatric and Preventive dentistry organized Module 1 of add-on course on 18/04/2026 for interns 2025-26. The faculty for the course were Dr. Gagandeep Lamba, Dr. Pooja Rathi and Dr. Samrudhi Khondalay who delivered lectures on Introduction to Advanced Minimally Invasive Pediatric Dentistry, SDF and SMART in Pediatric Dentistry and Resin infiltration and SMART burs. The participants were exposed to advances in Pediatric Dentistry and the new mantra of minimal invasion and preservation of the tooth structure. Video demonstration of clinical procedures, SDF application and resin infiltration were also carried out during the session. The programme concluded with an interactive session with the speakers and the audience interacted enthusiastically.
