MANIPAL DENTAL HACKATHON 2026-CIRCULAR

Sub: Winners of the Manipal Dental Hackathon 2026

Manipal-GoK Bioincubator - BioNEST and its Student Entrepreneurship Cell in association with Manipal College of Dental Sciences (MCOs) Manipal and Mangalore, organized '**Manipal Dental Hackathon 2026**' on **March 12, 2026**. The primary aim of this Hackathon was to encourage student-led innovations, foster the creation of start-ups and cultivate critical thinking skills, essential to address the most pressing needs in the Dental Sciences/Technology domain. A total of 75 teams participated in the final pitch presentations. The finalists showcased remarkable ideas and scientific concepts, presenting a considerable challenge for the Jury members in the selection of winners. We commend the diligent work and dedication demonstrated by all participating teams.
