**RANJEET DESHMUKH DENTAL COLLEGE AND RESEARCH CENTRE, NAGPUR**  
**LIST OF PUBLICATIONS**

| Sr. No. | Year | Title of Publication                                                                                                                         | Name of Authors                                               | Name of the Journal                                                |
|---------|------|----------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------|--------------------------------------------------------------------|
| 1.      | 2026 | Long-Term Functional Outcomes of TMJ After Maxillofacial Trauma                                                                              | Dr. Richa Sahai                                               | Academia Journal of Medicine                                       |
| 2.      | 2026 | Patient Satisfaction and Clinical Outcomes Following Implant-Supported Fixed Restorative Treatment in the Esthetic Zone: A Systematic Review | Dr. Shreya Kukreja, Dr. Neelam Pande, Dr. Saeed Deshpande     | Journal of the International Clinical Dental Research Organization |
| 3.      | 2026 | Perception and Academic Challenges Regarding Dentistry Among Preclinical Dental Students: A Cross-Sectional Comparative Study                | Ruchita Barai, Dr. Jayashree Joshi, Dr. Anita Kahar           | Journal of Academy of Dental Education                             |
| 4.      | 2026 | Smartphone Addiction and Its Associated Behaviours Among Undergraduate Dental Students and Interns                                           | Tanvi Tushar Rahangdale, Dr. Anita Kahar, Dr. Jayashree Joshi | Journal of Academy of Dental Education                             |
| 5.      | 2026 | Dental Intelligence: Merging Human Skill and Artificial Precision – AI in Prosthodontics (Book Chapter)                                      | Dr. Priti Jaiswal                                             | ISBN Publication                                                   |
| 6.      | 2026 | Dental Aesthetics Perception (Book)                                                                                                          | Dr. Rajlakshmi Banerjee                                       | ISBN Publication                                                   |

|     |      |                                                                                                                                                        |                                                                                                                               |                                                     |
|-----|------|--------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------|
| 7.  | 2025 | In vitro Comparison of Soft-Tissue Grafting Materials for Periodontal Surgery: A Systematic Review                                                     | Dr. Ojas Gajbhiye                                                                                                             | Journal of Pharmacy and Bioallied Sciences          |
| 8.  | 2025 | Application of Artificial Intelligence in Dental Imaging Interpretation and Diagnosis: A Systematic Review                                             | Dr. Samidha Pande                                                                                                             | Journal of Pharmacy and Bioallied Sciences          |
| 9.  | 2025 | Correlation Between Periodontal Maintenance Compliance and Implant Survival Following Fixed Prosthodontic Restorations                                 | Dr. Ramnath Revankar                                                                                                          | Bioinformation                                      |
| 10. | 2025 | Effect of Stabilization Splint on Oral Health-Related Quality of Life and Stress Levels in Patients with Temporomandibular Disorders: A Clinical Trial | Dr. Jyoti Sharma, Dr. Rajlakshmi Banerjee, Dr. Neelam Pande, Dr. Anushree Bhoge                                               | Indian Journal of Dental Sciences                   |
| 11. | 2025 | Functional Outcome and Quality of Life After Prosthetic Rehabilitation in Patients with Maxillofacial Defects: A Systematic Review                     | Dr. Srushti Ghagas, Dr. Saeesh Deshpande, Dr. Neelam Pande                                                                    | Journal of Clinical and Diagnostic Research         |
| 12. | 2025 | Biofeedback – A Novel Approach for Treating Bruxism: A Narrative Review                                                                                | Dr. Srushti Ghagas, Dr. Shreya Kukreja, Dr. Shikha Chhangani, Dr. Saeesh Deshpande, Dr. Rajlakshmi Banerjee, Dr. Neelam Pande | The Journal of Prosthetic Rehabilitation            |
| 13. | 2025 | Assessment of Xerostomia in General Population: A Questionnaire Study as a Screening Tool for Hyposalivation                                           | Dr. Shreyas Ingle, Dr. Neelam Pande, Dr. Saeesh Deshpande, Dr. Dheeraj Bhoyar, Dr. Shreya Kukreja                             | Journal of Advances in Dental Practice and Research |
| 14. | 2025 | Exploring the Efficacy of TENS in Prosthodontics: A Narrative Review                                                                                   | Dr. Pranoti Ranit, Dr. Shreyas Ingle, Dr. Dheeraj Bhoyar, Dr. Anuj Chandak, Dr. Neelam Pande, Dr. Saeesh Deshpande            | The Journal of Prosthetic Rehabilitation            |
| 15. | 2025 | Temporomandibular Disorders: Current Concepts in Diagnosis and Management                                                                              | Dr. Shreya Kukreja, Dr. Neelam Pande, Dr. Saeesh Deshpande, Dr. Anuj Chandak, Dr.                                             | The Journal of Prosthetic Rehabilitation            |

|     |      |                                                                                                                                                                   |                                                                                                 |                                                                    |

|     |      |                                                                                                                                                                   | Rajlakshmi Banerjee, Dr. Akhil Rathi, Dr. Priti Jaiswal, Dr. Shreyas Ingle                      |                                                                    |
| 16. | 2025 | Knowledge, Attitude and Practice Regarding Intraoral Scanners Among Prosthodontists: A Pilot Cross-Sectional Study                                                | Dr. Dheeraj Bhoyar, Dr. Saeesh Deshpande, Dr. Neelam Pande                                      | Journal of Advances in Dental Practice and Research                |
| 17. | 2025 | Evaluation of Oral Health Status and Barriers in Access to Oral Care Services Among LGBTQ Community: A Pilot Study                                                | Rujvi Ashish Pimpley, Dr. Saeesh Deshpande                                                      | Journal of Advances in Dental Practice and Research                |
| 18. | 2025 | Lab Procedures in Implant Dentistry (Book)                                                                                                                        | Dr. Abhishek Torane, Dr. Saeesh Deshpande, Dr. Neelam Pande                                     | ISBN Publication                                                   |
| 19. | 2025 | Screening for Diabetes by Indian Diabetic Risk Score (IDRS) and Awareness about Oral and Systemic Complications of Diabetes in a Rural Community of Central India | Dr. Chinmaya Kumar Satapathy<br>Dr. Jaishree Chahande                                           | Journal of Xidian University                                       |
| 20. | 2025 | Comparative Evaluation of Effect of Repeated Microwave Disinfection on the Surface Hardness of PEEK: An In Vitro Study                                            | Dr. Twinkle Lokhande, Dr. Neelam Pande, Dr. Akhil Rathi, Dr. Saeesh Deshpande, Dr. Anuj Chandak | Journal of Xidian University                                       |
| 21. | 2025 | Evaluation of the Relationship Between Temporomandibular Disorders and Global Body Posture: A Cross-Sectional Study                                               | Dr. Saeesh Deshpande, Divya Kamnani, Dr. Neelam Pande                                           | Journal of Advances in Dental Practice and Research                |
| 22. | 2025 | Comparative Evaluation of Effect of Three Different Chromogens on Color Stability of High Impact Polymer Composite Material: An In Vitro Study                    | Dr. Shachi Alsai, Dr. Saeesh Deshpande, Dr. Neelam Pande, Dr. Srushti Ghag                      | Journal of the International Clinical Dental Research Organization |

|     |      |                                                                                                                                                                                              |                                                                                                       |                                                                    |
|-----|------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------|
| 23. | 2025 | Effect of Silane Treatment of Aluminum Oxide Nanoparticles on the Antimicrobial Property of Polymethyl Methacrylate Denture Base Resin                                                       | Dr. Trupti Bangare, Dr. Rajlakshmi Banerjee, Dr. Priti Jaiswal, Dr. Jyoti Sharma, Dr. Vijeta Gajbhiye | Journal of the International Clinical Dental Research Organization |
| 24. | 2025 | Comparative Evaluation of Flexural Strength of Heat Polymerized PMMA Denture Base Material Reinforced with Silanized Aluminium Oxide and Silanized Zirconia Nanoparticles: An In Vitro Study | Dr. Richa Sahai, Dr. Sumeet Jalan                                                                     | Journal of the International Clinical Dental Research Organization |
| 25. | 2025 | Comparative Study on the Effect of Various Implant-Abutment Connections on Microbial Leakage                                                                                                 | Dr. Richa Sahai                                                                                       | Journal of Pharmacy and Bioallied Sciences                         |
| 26. | 2025 | Marginal Adaptation and Internal Fit of Zirconia Crowns Fabricated with Different CAD/CAM Systems                                                                                            | Dr. Richa Sahai                                                                                       | Journal of Pharmacy and Bioallied Sciences                         |
| 27. | 2025 | Assessment of Immediate Versus Delayed Loading Protocols in Single-Tooth Anterior Implants                                                                                                   | Dr. Richa Sahai                                                                                       | Journal of Pharmacy and Bioallied Sciences                         |
| 28. | 2025 | Comparative Analysis of Self-Directed Learning Readiness Among Undergraduate and Postgraduate Students of a Dental Institute in Central India                                                | Dr. Priti Jaiswal, Dr. Richa Sahai                                                                    | Journal of Indian Dental Association                               |
| 29. | 2025 | Evaluation of Perception, Knowledge and Attitude Regarding the Role of Artificial Intelligence Among Dental Practitioners Practicing in Nagpur Region: A Cross-Sectional Study               | Dr. Vijeta Gajbhiye, Dr. Richa Sahai                                                                  | The Journal of Prosthetic and Implant Dentistry                    |
| 30. | 2025 | Artificial intelligence in dentistry: Hype, promise, and clinical reality                                                                                                                    | Dr. Saeed Deshpande                                                                                   | Journal of Advances in Dental Practice and Research                |

|            |      |                                                                                                                                                                                                             |                                                              |                                                     |
